

Capsule x Sophos: Cyber insurance that rewards strong cyber security

Support your clients with a trusted cyber insurance solution

Your clients trust you to keep their organisation up and running and protected against cyber risks but when it comes to insurance, providing the support they need can be a challenge. That's where Capsule comes in.

Capsule's insurance solution for Sophos cyber security users makes it easy for your customers to get the coverage they need.

- **Simple, easy application process** designed for businesses of all sizes.
- **Indicative pricing** at the earliest possible stage for maximum transparency.
- **Discounts** available for users of Sophos cyber controls, including Sophos MDR.
- **Comprehensive coverage** including financial protection against breaches, crisis support and customer care services.
- **Pre-approved use** of Sophos incident response services.
- **Policies underwritten by Beazley**, the industry leader in cyber insurance.

Why Capsule?

Capsule is a forward-thinking UK-based insurance broker with deep expertise in cyber insurance. Our programme enables you to:

Reduce your workload:

Let us handle the complexities of insurance so you can focus on what you do best.

Add value to your service offering:

Make it easy for your clients to access cyber insurance that rewards strong cyber defences, positioning yourself as a full-service partner.

Expand your customer footprint:

Help customers implement long-term cyber risk mitigation strategies with cyber insurance that complements their cyber defences.

Resolve incidents faster:

With Beazley's 200+ vetted vendors and incident response from Sophos experts, cyber attacks are handled quickly and professionally.

Boost retention and revenue:

By helping customers unlock insurance savings through strong cyber defences, you'll strengthen your value proposition.
